NGUYEN VAN ANH

Thu Duc District, Ho Chi Minh City – 0392915987– vananh3040@gmail.com

OBJECTIVE

I am an undergraduate who is always looking to expand my knowledge. I'm looking forward to learning new skills and putting them to use at work, as well as growing personally and professionally. I am keen to meet experienced people, learn from them, and develop into an industry expert. To achieve my goals, I am always eager to face challenges and push myself beyond my comfort zone.
